VOLUME FORTY-FOUR

THE IMPOSSIBLE DREAM

To dream the impossible dream,
To fight the unbeatable foe,
To bear with unbearable sorrow,
To run where the brave dare not go.

To right the unrightable wrong,
To love pure and chaste from afar,
To try when your arms are too weary,
To reach the unreachable star.

This is my quest,
To follow that star,
No matter how hopeless; no matter how far;
To fight for the right without question or pause
To be willing to march into hell for a heavenly cause.

And I know, if I'll only be true––
To this glorious quest,
That my heart will lie peaceful and calm,
When I'm laid to my rest,

And the world will be better for this;
That one man, scorned and covered with scars,
Still strove with his last ounce of courage,
To reach the unreachable star.

To dream the impossible dream

To fight the unbeatable foe

To bear with unbearable sorrow

To run where the brave dare not go

To right the unrightable wrong

To love pure and chaste from afar

To try when your arms are too weary
To reach the unreachable star

This is my quest - To follow that star
No matter how hopeless - No matter how far

To fight for the right - without
question or pause

To be willing to march into hell
for a heavenly cause

And I know, if I'll only be true to this glorious quest;
That my heart will lie peaceful and calm when I'm laid
to my rest

And the world will be better for this
That one man scorned and covered with scars

Still strove with his last ounce of courage
To reach the unreachable star

DEDICATION

Dean Robert P. Green came to Westfield State College one year prior to most of us. During that year and the four following, he helped to initiate many of the activities and implement many of the facilities which have made our stay at Westfield State both academically profitable and socially enjoyable. In the classroom, on the athletic field, and in administrative posts, Dean Green has proven himself a teacher, a guide, and a friend to the class of 1969.

Intramurals, soccer, and golf have benefited from his patient attention and active involvement. As a physical education instructor, in health education, and in guidance, Dean Green has offered to share his knowledge, wisdom, and advice in hopes that each student will go on to become a thinking teacher and, even more importantly, a feeling person.

In 1965 he was appointed Dean of Men; in 1966 Director of Student Services. Through student employment opportunities, scholarships, loans and grants, Dean Green has, for many of us, made four years at Westfield State a financially realized goal. From personal counseling, to the food we have eaten, to the dormitories and houses in which we have lived, he has nourished us both physically and emotionally.

So to you, Robert P. Green, we dedicate this Tekoa.

PRESIDENT'S MESSAGE

For the past four years the members of the Class of 1969 have lived and worked on our campus with but one object in mind: to prepare themselves for a career in the world.

To that end the faculty and administrators of Westfield State College bent their every effort. Now we have completed our work and yours is about to begin. How well we have succeeded will be judged by how well you succeed.

You join a distinguished group of alumni -- men and women who for close to 130 years have been making their mark in the fields of education, commerce, and industry. We are certain that you, too, will add luster to the name of Westfield State College.

We trust that you will return to our campus often as interested, active alumni.

Leonard J. Savignano,
President

We've dreamed our impossible dream – and seen that it wasn't really impossible. We've fought our unbeatable foe – and seen that they weren't unbeatable. Don Quixote would have been proud and so are we, just a little. But if the world will be better for this, it won't be because of the achievement and it won't be because of the conquest. Perhaps it will be because of the achieving to reach that achievement and the quest to reach that conquest. For we wake only to find that the dream is not over, and the battle not won, not yet. The night's done, the dawn's come, and we wake to dream another dream, more beautiful, more sensitive, and more impossible.

Each generation, shaped by forces outside and within it, asks the question it must ask. Some generations, concerned with the building of a nation, ask "How?" Other generations, needing to set priorities for the future, ask "What?"

Your generation has asked "Why?"

As Americans we must together ask all of the big questions and seek to find answers. How we build a better America, what kind of nation we want, why we pursue certain goals instead of others -- these are not problems to be faced by one generation and ignored by another. All of us must face them.

A college education in the humanities and sciences teaches us that the real power to deal with these problems comes out of the human mind and human heart. All power must be disciplined by trained intelligence and tempered by compassion.

Each of you is a center of power. Your professional or social or religious or political activity will determine the shape of the future of your nation and of the world.

The question asked by your generation -- Why? -- is one that must be answered not by the quality of your rhetoric but by the quality of your lives. It was in your college years that we were first made aware of those "people talking without speaking, people hearing without listening."

What you have brought and will continue to bring to American life is not the sound of silence, but the sound of a generation which will work to ensure that, in the words of William Faulkner, " . . . man will not merely endure: he will prevail."

W.S.C. TIES FOR N.E.S.C.A.C. CHAMPIONSHIP

The Westfield State soccer team finished its season as co-champion of the New England State College Conference by virtue of a 2-2 tie with Eastern Connecticut. The tie enabled WSC to successfully defend the conference championship for the second straight year.

Westfield opened its season victoriously with three round-robin matches at AIC in the Second Annual Soccer Jamboree. Westfield tied the U.Mass. Redmen 0-0 in the first game, but the Owls defeated the AIC Yellow Jackets 2-0 and Western New England College 3-0 in the final two games.

Led by senior co-captains Ed Matulewicz (Toolie) and John Vautrain, Westfield got off to the start of an exciting year with a 3-2 overtime victory over Nichols. Coach John Kurty's Owls also defeated AIC 6-2 and WNEC 7-0 in other highlights of the highly successful season.

FINAL RECORD: 12-2-3
NESCAC CO-CHAMPIONS

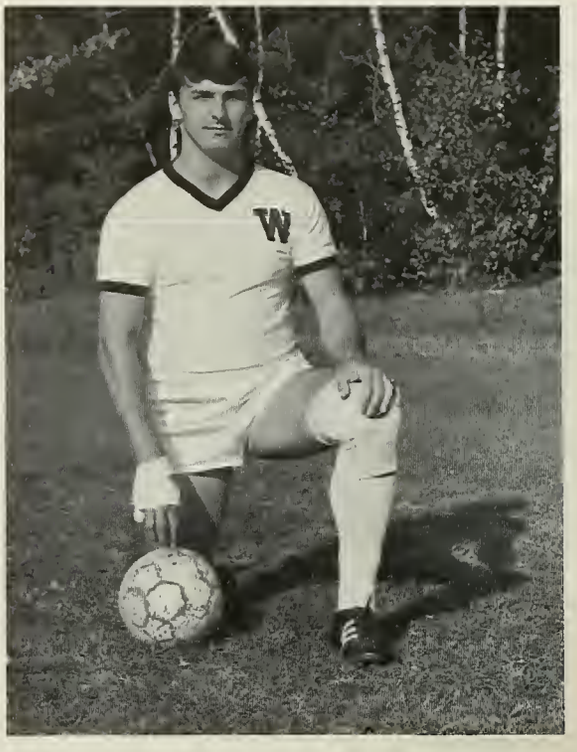
1968 VARSITY SOCCER TEAM

Front Row: Dean Fournier; Russ Norton; Lawrence Kelley; Ed Matulewicz, co-captain; John Vautrain, co-captain; Michael Kennedy; Henry Crisostomo; Napoleon Sanchez. Second Row: Jim Reveruzzi; Max Salvador; Albert Circosta; Jay Boland; Doug Tierney; Allan Streeter; Manuel Goncalves; Michael Manseau; Frank Mills. Third Row: Coach John Kurty; Robert Mailloux, manager; Thomas Parent; Christ Scanlon; Wayne Bailey; Michael Dennis; Richard Bourgelas; Joe Brucatti.

Scrappy halfback Manny Goncalves led WSC to a 6-0 win over Worcester with two successive goals. Center Larry Kelly scored two goals and two assists to lead the Westfield attack in a 5-0 win over Fitchburg State College.

The Westfield State College soccer team huddles during a crucial point of the game. Coach Kurty's veterans and newcomers jelled in a well coordinated offense and defense. During five years as a varsity sport, Westfield State soccer teams have enjoyed a 48-16-4 record.

The only two losses suffered by the Westfield State College soccer team were to a tough Eastern Connecticut team. The two losses were partially avenged in a 2-2 tie for the NESCAC championship.



Senior co-captain John Vautrain at center halfback led State's solid defense. After a years absence because of a knee injury, John's fine play at halfback helped to coordinate the Owl's offense and defense.

Senior co-captain Ed Matulewicz was selected for the NESCAC All-Star Team. Toolie scored a three-goal "hat trick" in State's opening win against Nichols College.

To the right, senior defenseman Hank Crisostomo's extremely aggressive play helped State to score seven shutouts during the 1968 season.

Below, senior Mickey Kennedy's fine defensive play in the second annual College Jamboree resulted in an overall shutout for the three matches. Playing defense, Mickey chipped in with two goals in a fine season.

Fortunate to have the services of Coach John Kurty, the soccer team compiled its most successful season ever in the history of Westfield State College. A highlight of the 1968 season was Max Salvador's record-breaking five goal performance against Quinnipiac.

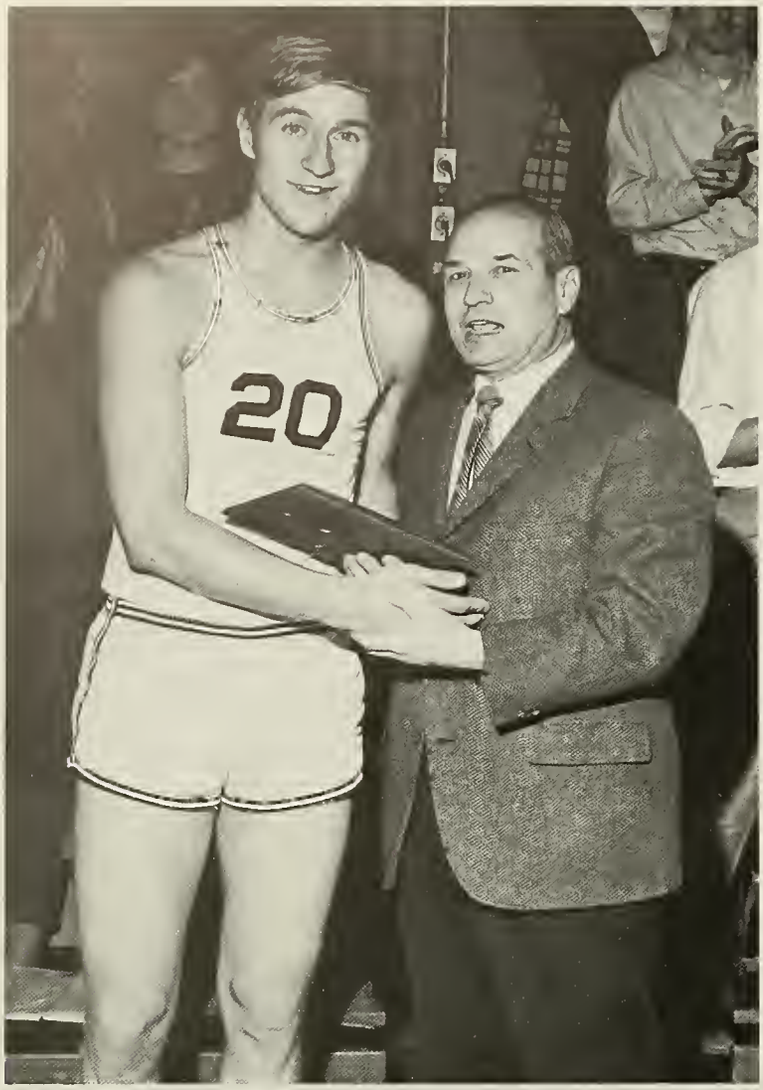
WESTFIELD STATE COLLEGE

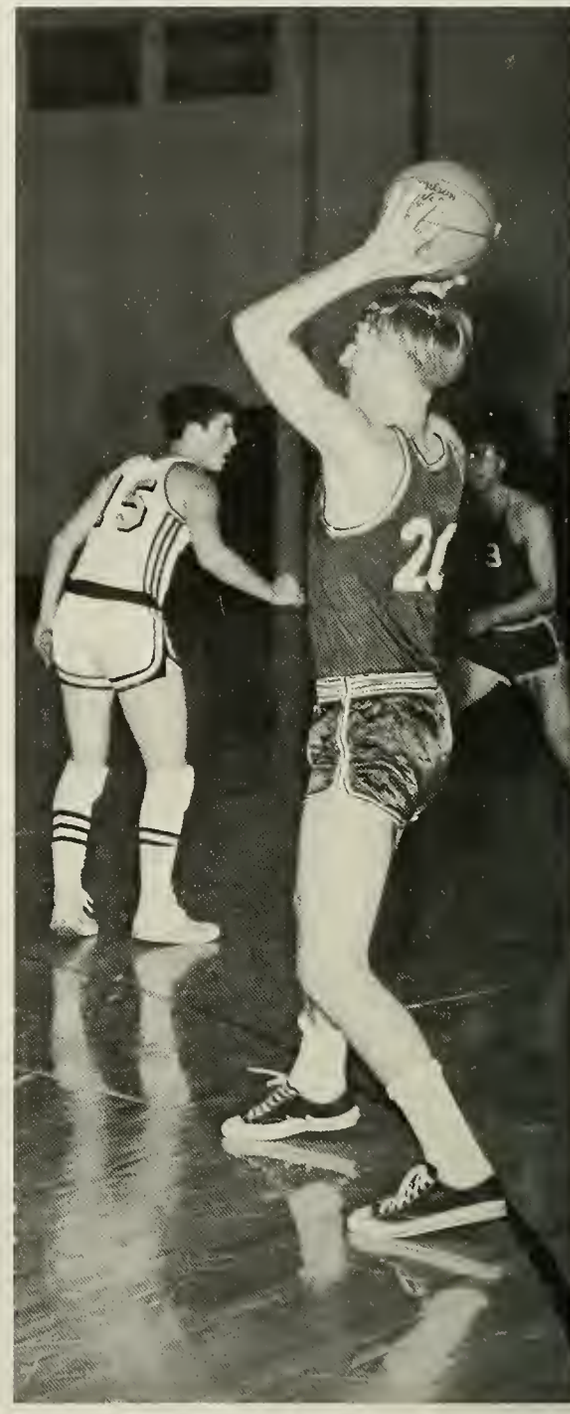
BASKETBALL

1969

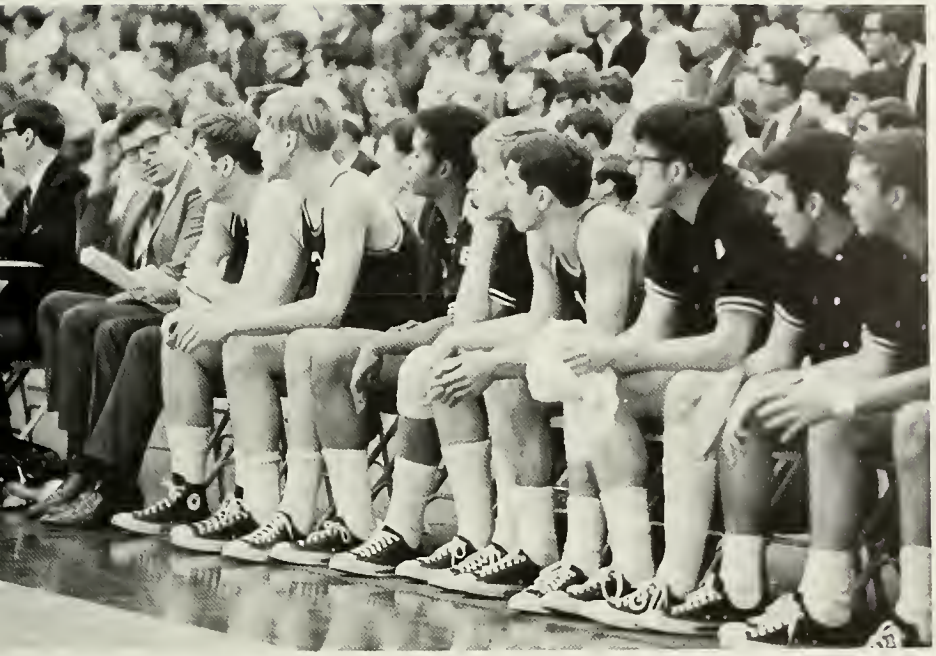
Westfield opened its season on November 30, against American International College at Butova Gym on the A.I.C. campus. Although Westfield led at half time by a score of 40-37, the Owls went down to defeat 97-75. The fine play and hustle displayed by the Owls in the first half showed promise of things to come in Westfield's highly successful 1969 season.

Westfields lead in the first half was due to the great shooting by Ray Glynn and Bill Benedict. Bob Hill emerged as Westfield's leading scorer with 18 points, while Ray Glynn totaled in with 16 points.





Alex Popp finished his varsity career by scoring 380 points and a .514 field goal percentage. Alex's fine performances throughout the past four years have netted him 1433 career points. Alex's senior year was highlighted by games of 29 points against Boston State College and 24 points against Rhode Island State College and Fitchburg State College.

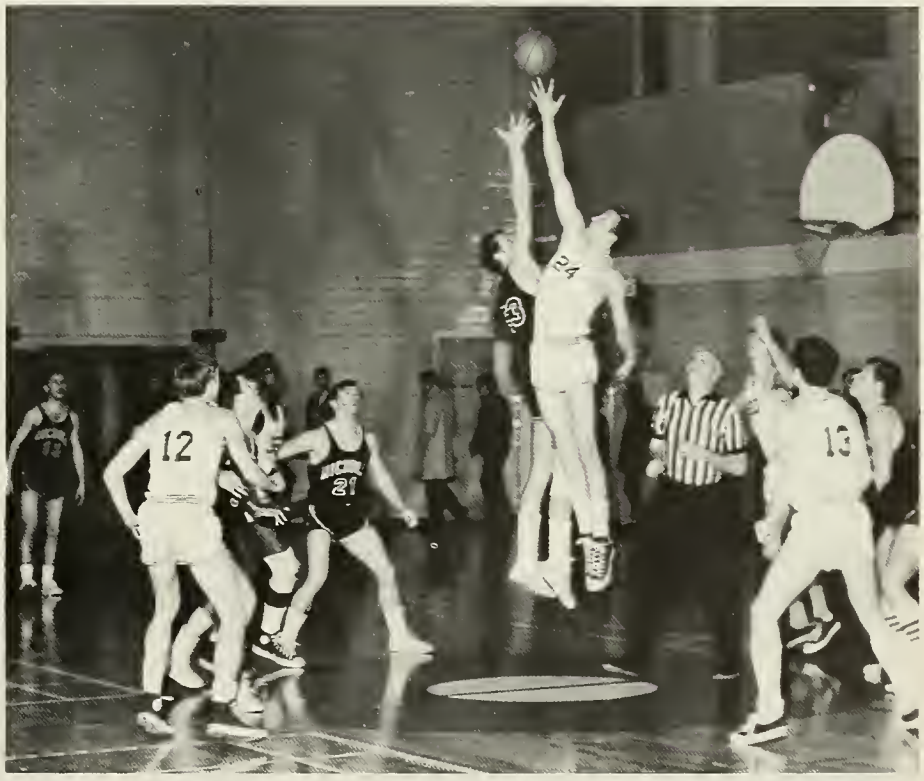


Senior Ray Glynn led State's basketball team in total points (498), average (22.6), rebounds (250), field goals (193), and field goal percentage (.517).

Ray set a new single game scoring mark by hitting for 50 points against Nichols College.

Ed Matulewicz scored 170 points in his senior year and raised his career total to 540 points. The former Chicopee Comp star led the team in free throw percentage with a mark of .825. Toolie did a great job as "quarterback" in directing the team's offense and defense. Ed's season high scoring game came against Salem State when he hit for 22 points.

In Westfield's closing game of the season, a 91-66 win over Keene State College; the A.G.G. Booster Club presented plaques to the three players who have participated in varsity basketball for Westfield State during the past four seasons. Ray Glynn and Alex Pepp were cited for scoring contribution, and Ed Matulewicz received an award for his leadership qualities. Also cited were Donna Cahill and Linda Tsohonis for outstanding service in cheerleading for the past four years.



Under the leadership of Coach Lee LeBlanc, the Westfield State College Owls compiled a fine 14-8 win-loss record. Coach LeBlanc's Owls in the past two years have been a winning team, and it can be assured that Coach LeBlanc's team, in future years, will retain their winning tradition.

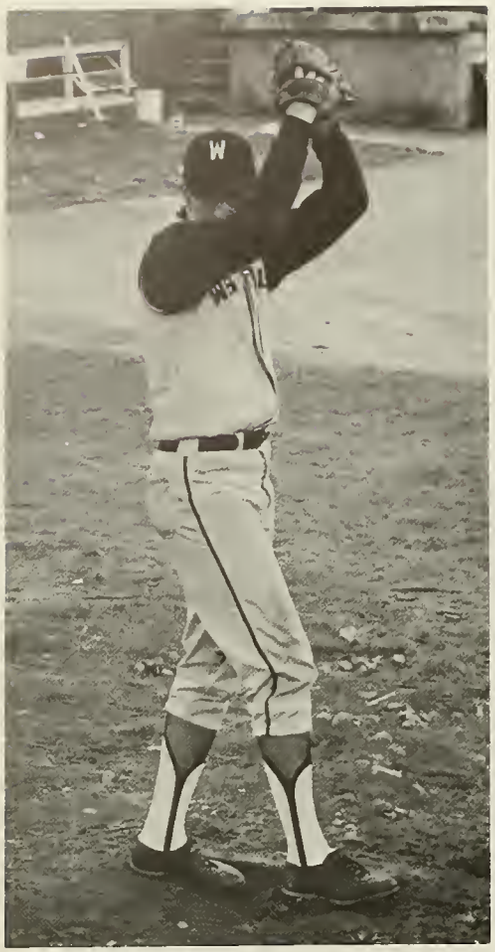
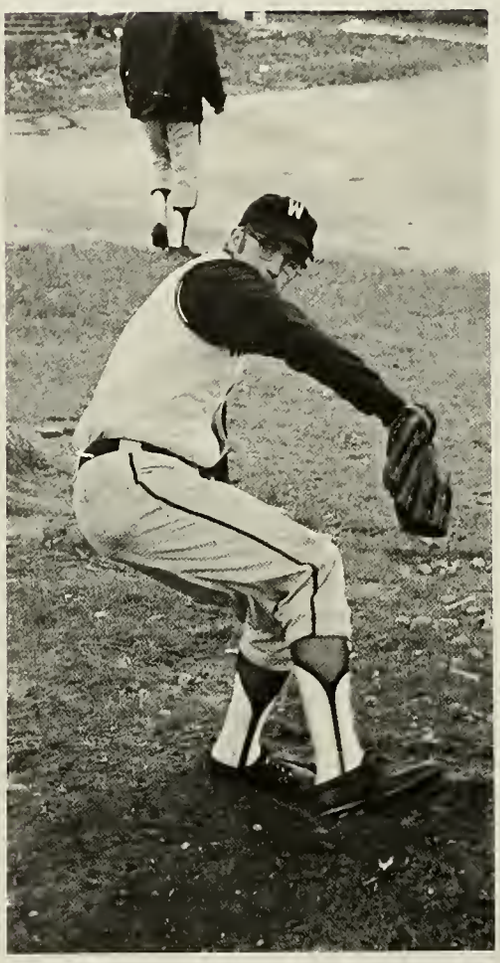
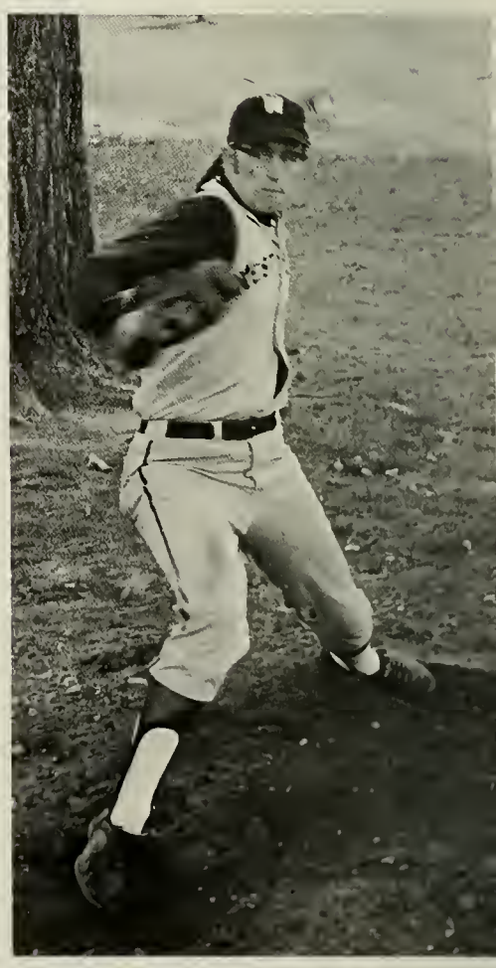
BASEBALL '69







The Westfield State College Baseball Team

The W.S.C. Baseball Team completed another winning season by finishing third in the league with a record of 8-4-1. This was a young Westfield team with the only graduating member being senior first baseman and captain Ken Silva. With the experience gained by the many first-year players and with the returning veterans, the Owls should be even stronger in 1970.

Pitching was a strong point for the Westfield team in 1969. Tom Parent led State's strong pitching staff which compiled an excellent 2.39 ERA. Tom finished the year with a 4-2 record and a 1.63 ERA. Strong efforts were also turned in by hurlers Jim Devine, Jim Wall, John Brown, and Glenn Larrivee.

The Owls had one of their finer seasons by compiling a .265 batting average. Leading hitters were junior third baseman Buster McGovern (.367) and freshman Tom Parent (.354). Other strong hitters were John Brown, Jim Wall, and Al Streeter.

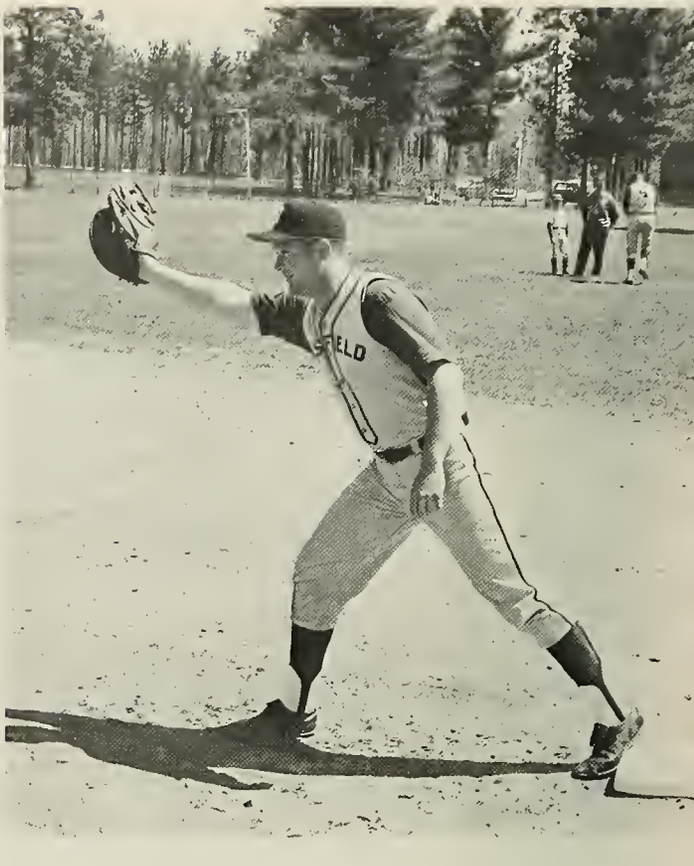
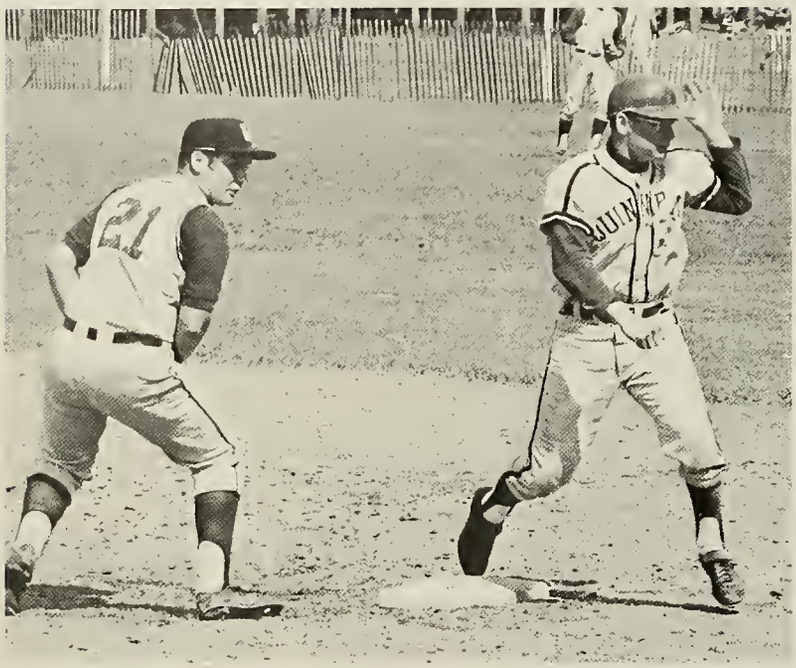
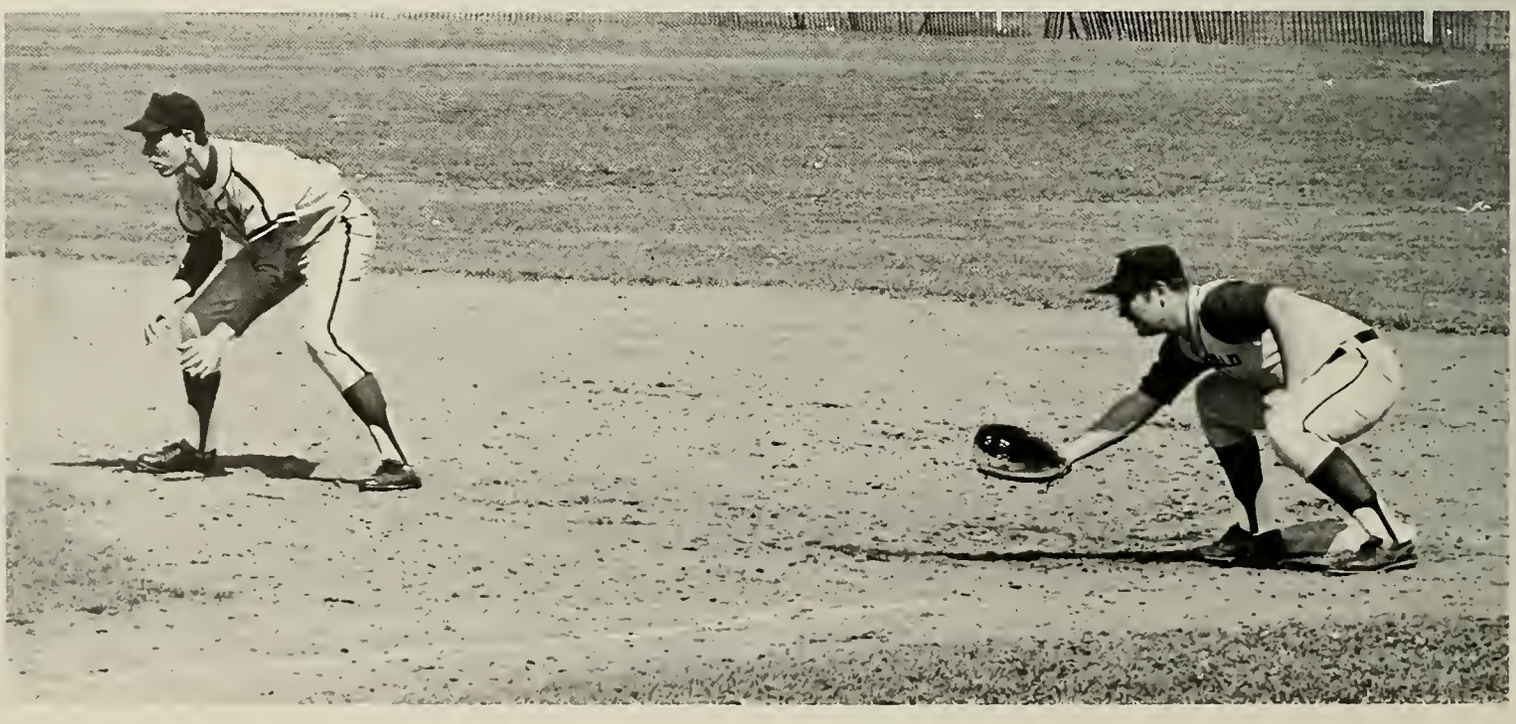
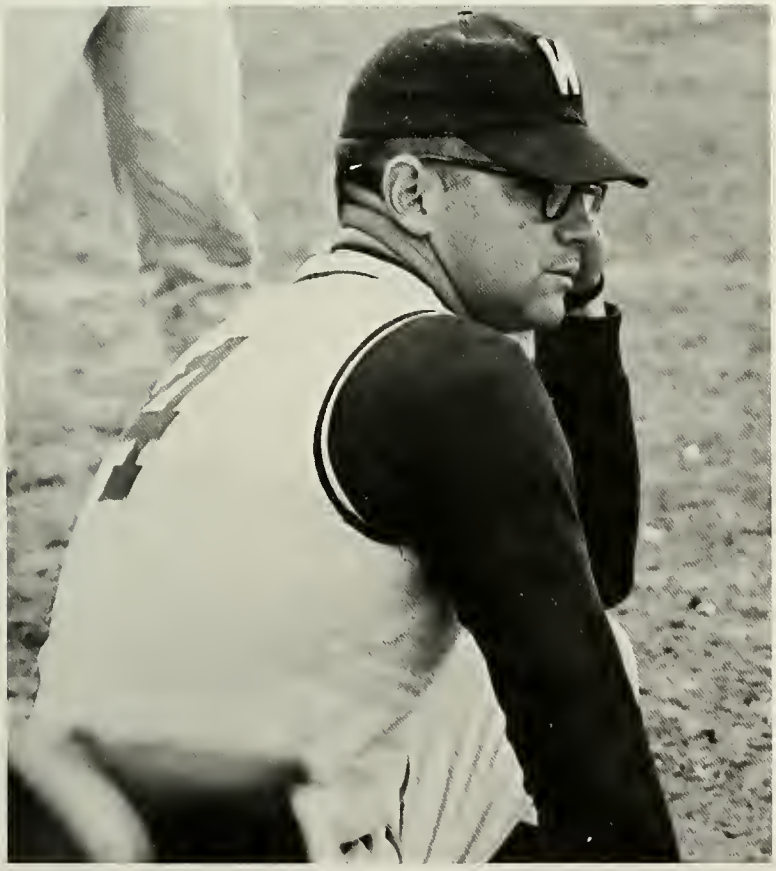
KEN SILVA

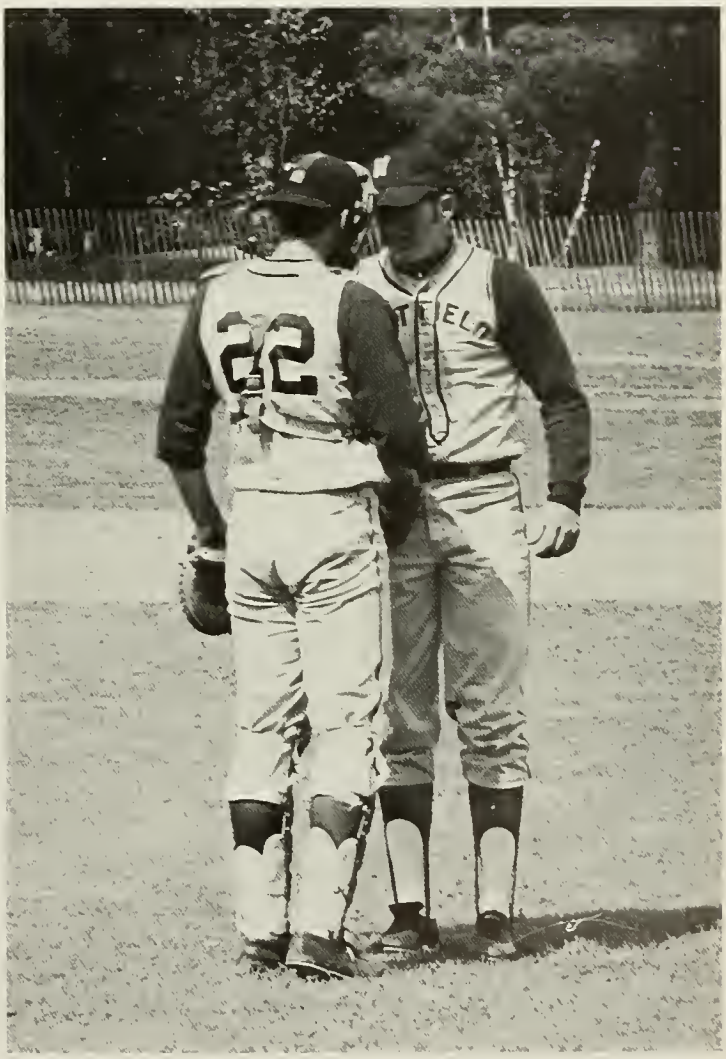




Fall River native and senior captain, Ken Silva played first base for the fourth straight year in 1969. Ken was a hard-hitting left hander who led State's attack in many games. His top-notch fielding also provided Westfield with more then adequate depth at first base.







Coach Paul Bogan ponders over a crucial situation in one of State's tight games. He completed his sixth season as baseball coach and guided his team to a third spot finish in the league.

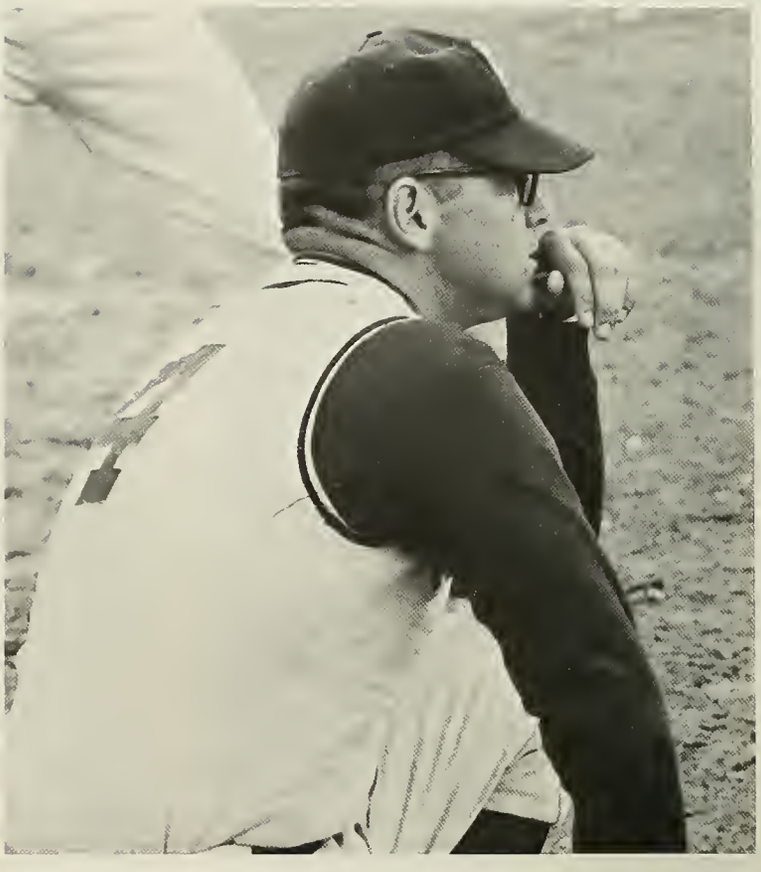
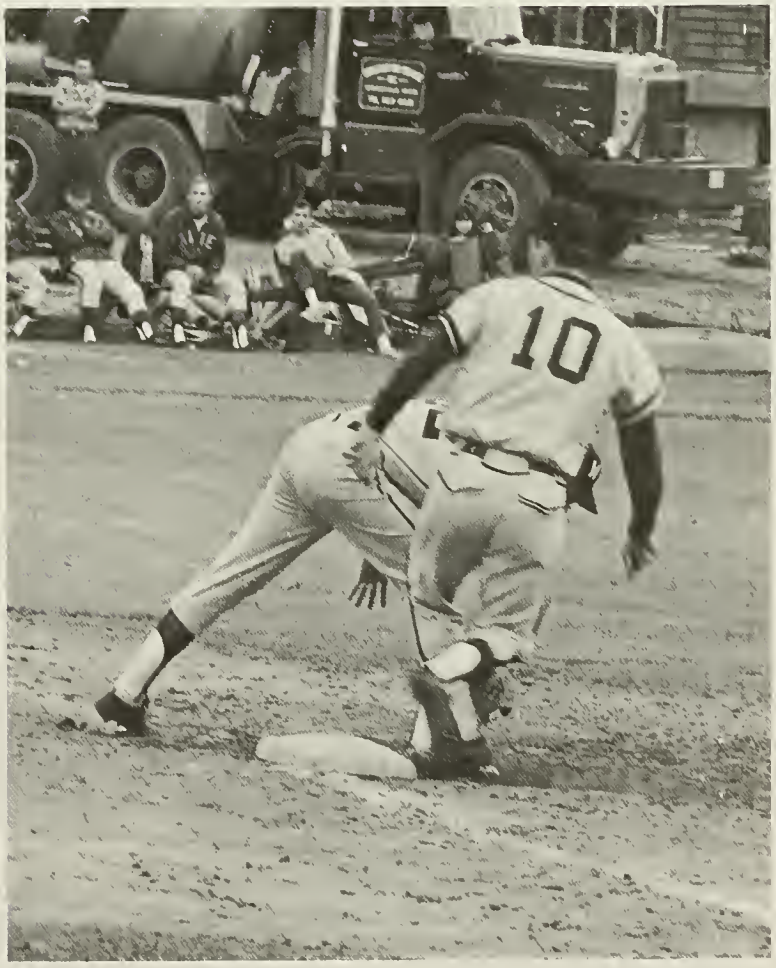
TRAINERS

The Owls were fortunate to have the services of trainers Gary Roberts and Perry Davis. Gary and Perry have given much of their time and experience in capably providing for the baseball team and all of Westfield's athletic teams.



Fans will be in for another exciting season in 1970 with the return of almost the entire 1969 team. Go out and cheer them on next year!



The Owls, under the direction of Coach Milton Reach, compiled a 8-3 overall record for the year. Team Captain Jim McCarthy credits both Coach Reach and former Coach, Dean Green, for a large amount of the Owls' outstanding play and improvement for the past two seasons.

One of the reasons for the team's successful season was the fine play of the team's top five players. Team Captain Jim McCarthy's consistency with his iron and putter made him the team's number one man. Last season Jim finished fourth in individual competition at the New England tourney.

Bob McDonough and Ray Glynn were the other senior members of Westfield's well-balanced squad. Bob is known for his excellent game and for the way he attacks the golf course. A long hitter off of the tee, basketball ace Ray Glynn added depth to the squad. Constantly improving, Ray was a tough man to beat.

Pete Jonaitis, a long hitter with the iron and a clutch player under pressure, Gary Gagne, a tremendously long hitter off of the tee, and promising newcomer, Gary Barney, round out Westfield's 1969 Golf Team.

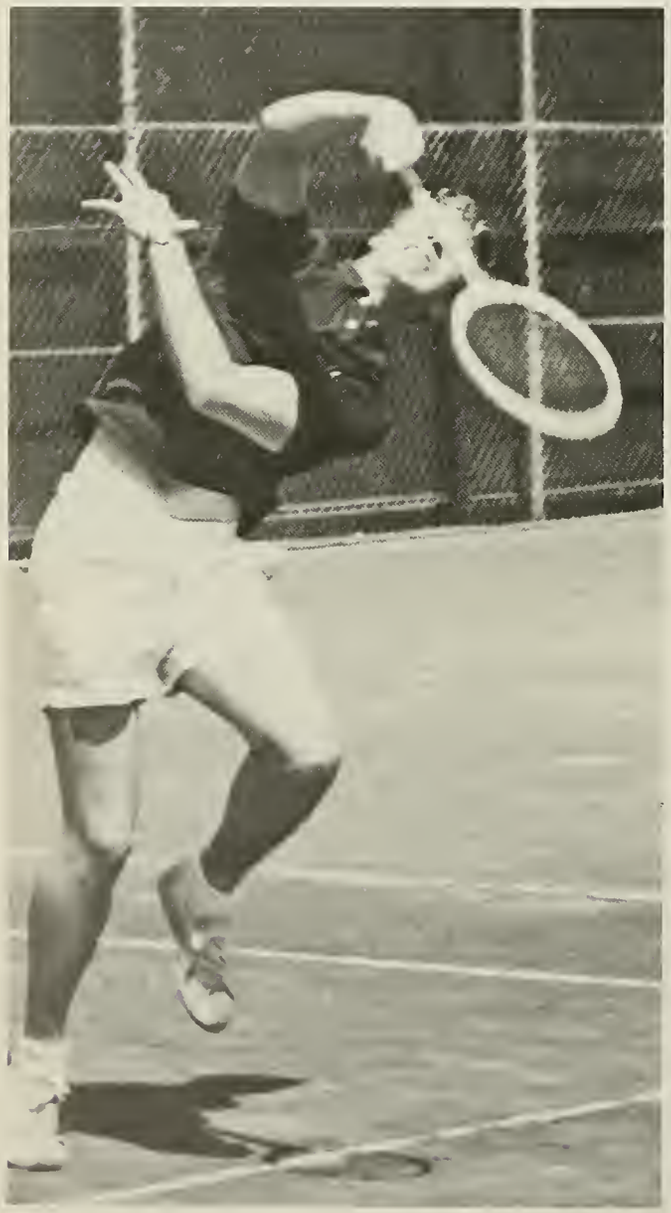
TENNIS



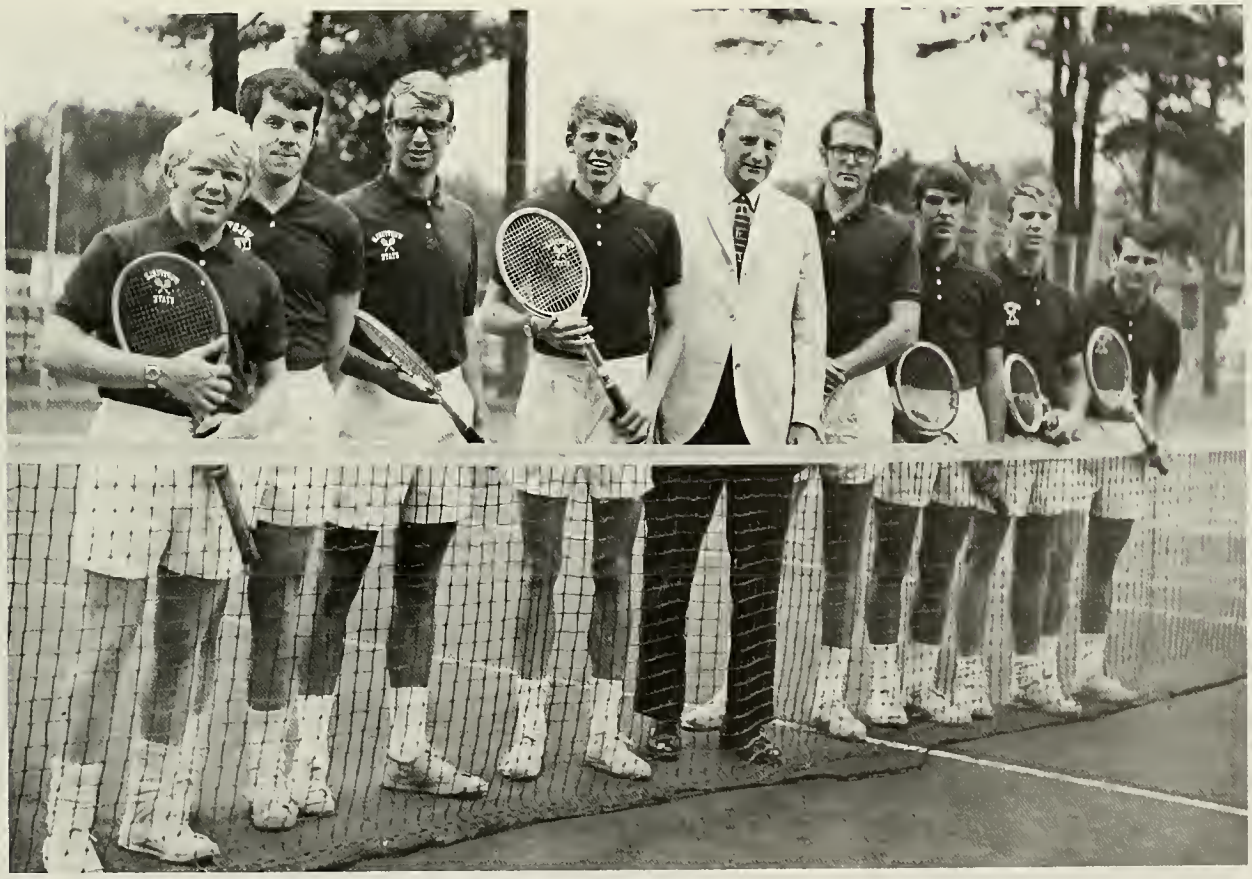
Participating in a record year of formal competition, the WSC Tennis team again made a bid for a conference championship. Last year's Owls finished in second place losing only one game. This year the Tennis Team finished with a 7-3 record in the league and an 8-4 record overall.

This year's team was a young one, with only one senior, Ed Matulewicz, in the lineup. Eddie held the number one spot throughout the year and, therefore, drew the toughest assignment in each match.

Gerald Quesnel, a sophomore, held the number two spot. Eddie and Gerry represented a team that was mighty tough to defeat.

Bill Engright, Mark Lynds, Charlie Tetrault, and Bob Guistina held the numbers three to six spots respectively. All capably rounded out this year's team.

Under the leadership of Coach Norman Hiersche, the team finished in second place for the second straight year. With a talented team returning next year, the Owls could very well improve on their second place finish and gain a conference championship.



W R A A

STUDENT GOVERNMENT

"Student Government exists as a microcosm of the greater forms of Government. It is an experiment for the students at this college to achieve in their own manner, a degree of self-government and responsibility." The main purpose of this organization is to act as a co-ordinating body between students and faculty and administration. This year's Student Government attempted to gain total involvement on the part of the students. The main issues in this year's Government were concerned with the eight proposals and the communication gap that exists on campus. There were rallies and even a nonviolent march, a meeting with the trustees, the Annual Awards Banquet and the finale - Student Government Ball.

THANK YOU

The work is done; the desk is cleared off. Although we can't really believe either one yet, we're both a little happy and a little sad too—that a part of our impossible dream didn't turn out to be the nightmare we'd expected. And for the surprisingly pleasant morning—after awakening, we owe so much to so many people. People who helped us to follow that dream; no matter how far away it seemed or how hopeless.

Thank you is a small word and thanks is even smaller, but both are very big in gratitude, appreciation, and even sentimentality. So we say thank you to you Amico J. Barone, to you Dave Keys and to Hausamann Studio, to you Roger Sullivan and Woodland Publishing Company.

We also say thanks to those students who didn't worship pure and chaste from afar, but instead got involved and got things done—Karen, Rich and Rich, Dick and Jeri, Holly, Shirley, George, Bob, Linda, and Carole. Thanks to the typists, thanks to the proofreaders; and to all those who helped to make TEKOA 1969 what it has become, — and thanks to YOU — the Class of 1969.
